DON'T FORGET TO REMEMBER

Always remember what God has done for you in the past. How He has brought you through tough times ought to teach you to trust Him. The strength and might of God's sustaining care, and its loving tenderness has brought you to Himself where it pleases Him to especially reveal Himself to you. God loves you. He treasures you.

FROM THE PASTOR'S DESK

Remembering

Text: Genesis 8:1

Noah was called to build the ark when he was 500 years old. However, it was a 100 years later before it was ready. Then God shut them into the ark (Gen 7:1; 16). Just like God's the only one that can shut the gate of salvation, he sometimes shuts us in certain circumstances. When that happens, he alone can get us out.

The flood lasted for 40 days, but the waters remained until God remembered Noah a year later, at 601 years old (Gen 8:13). So, he was locked in the ark with all those animals and wildlife for a whole year until the long process began for them to get out of the ark (Gen 8:2-16). That required a lot of patience.

Today's text says God remembered Noah (Gen 8:1)? Does that mean God forgot about him? A Psalmist pleaded for God's remembrance too (Psa 106:4). Why would omniscient God need to remember? The truth is we're the ones who often forget about God (Psa 106:6-15; Jer 2:31-32). We also forget the lessons he taught us, repeating the same mistakes over and over. How many doomed situations has God saved us from and we soon forget when new ones arise?

By human logic, we may use terms like "remembrance" in connection with God when we've had to wait on him. Some things may be beyond our understanding, but God never forgets us. It may sometimes seem like we're shut in. Like Noah, there may seem no way out or hope of one for a spell. But no matter how difficult or painful the journey is or how long we've had to wait, our day of salvation will come (Gen 8:15-17; Mal 3:16-18).

One good practice may be to record God's miracles and acts in our lives so we don't forget (Psa 103:1-2). That's why David had the confidence to fight Goliath long after God taught him some lessons he never forgot (1 Sam 17:34-37). As Abraham once proclaimed, God doesn't treat the righteous and the wicked the same (Gen 18:23). We're his special people and he's written our names on the palm of his hand (Isa 49:16-17). God can never forget us (Isa 26:3-4).

Bottom line:

Make an effort to recall and celebrate the things God's done for you. Don't take them for granted. Remember how you felt when he saved you in the past. Let the knowledge increase your confidence and trust in God. Let them reassure you of his love and his ability to save you (Num 11:23; Isa 50:1; 2 Cor 4:17-18).
